V. Summary and Adjournment

Chat Discussion on Quiet Hours

Chat discussion- from Elizabeth Beltran to Everyone: 1:21 PM

Were the people surveyed informed that entering/exiting shelter during quiet times will result in loss of their bed?

from Abby Sypek to Everyone: 1:36 PM

Thanks for sharing these responses---it's helpful to hear different perspectives from shelter residents. One thing I want to lift up is the feedback about people leaving in the middle of the night to use could also be viewed as a reason to continue allowing folks the flexibility to leave if they do need to use.

from jesselrabinowitz to Everyone: 1:44 PM

Amanda, if I'm hearing you correctly, it sounds like hitting pause to do some more intentional thinking might be best. I'm wondering if we can push the Nov timeline until after hypo?

from Amanda Chesney to Everyone: 1:44 PM

yeah probably

from Amanda Chesney to Everyone: 1:45 PM

I mean, after the start of hypo rather.

from jesselrabinowitz to Everyone: 1:45 PM

Thanks. Jill/ Lindsay, can we make sure the chat gets captured in the notes?

from Amanda Chesney to Everyone: 1:45 PM

these next two weeks are crucial and packed for the ramping up of hypo sites etc
